On 3 August 2012, Northam Platinum Limited (the **Issuer**) established a ZAR2,000,000,000 Domestic Medium Term Note Programme (the **Programme**) pursuant to a programme memorandum dated 3 August 2012 (the **Previous Programme Memorandum**). On 21 August 2019, the Issuer increased the aggregate Programme Amount (as defined herein) of the Programme from ZAR2,000,000,000 to ZAR5,000,000,000 and on 24 March 2020, the Issuer further increased the aggregate Programme Amount of the Programme from ZAR5,000,000,000 to ZAR10,000,000,000. The Issuer now wishes to amend and restate the Previous Programme Memorandum and further increase the aggregate Programme Amount of the Programme from ZAR10,000,000,000 to ZAR15,000,000,000.

This amended and restated programme memorandum (this **Programme Memorandum**) will apply to all Notes (as defined below) issued under the Programme on or after the Programme Date (as defined herein) and will, in respect of such Notes (as defined below) supersede and replace the Previous Programme Memorandum in its entirety. Subject to all Applicable Laws (as defined herein) (including, without limitation, the Debt Listings Requirements of the JSE Limited (**JSE**)), the Previous Programme Memorandum will remain applicable to all Notes in issue prior to the Programme Date.

Under the Programme, the Issuer, may from time to time issue notes (the **Notes**), which expression shall include Senior Notes and Subordinated Notes (each as defined herein) denominated in any currency agreed by the Issuer and the relevant Dealer(s) (as defined herein) and further subject to all Applicable Laws (as defined herein) and, in the case of Notes listed on the Interest Rate Market of the JSE or such other Financial Exchange(s) (as defined herein) as may be determined by the Issuer and the relevant authority, the Debt Listings Requirements of the JSE or such other Financial Exchange(s), that are subject to the terms and conditions (the **Terms and Conditions**) contained in this Programme Memorandum. Any other terms and conditions not contained in the Terms and Conditions that are applicable to any Notes, replacing or modifying the Terms and Conditions will be set forth in a pricing supplement (the **Applicable Pricing Supplement**).

Capitalised terms used in this Programme Memorandum are defined in the section of this Programme Memorandum headed "**Terms and Conditions of the Notes**", unless separately defined, and/or in relation to a Tranche of Notes, in the Applicable Pricing Supplement.

As at the Programme Date, the Programme Amount is ZAR15,000,000,000. This Programme Memorandum will apply to the Notes issued under the Programme in an aggregate outstanding Nominal Amount which will not exceed ZAR15,000,000,000 (or its equivalent in other currencies) unless such amount is increased by the Issuer pursuant to the section of this Programme Memorandum headed "**General Description of the Programme**".

Booyseendal Platinum Proprietary Limited (the **Guarantor**) irrevocably and unconditionally (and jointly and severally with any Additional Guarantor(s)) guarantees to the holders of the Notes (the **Noteholders**) the due and punctual performance of all of the Issuer's obligations arising under the Programme pursuant to this Programme Memorandum which the Issuer may incur to the Noteholders and the due and punctual payment of all amounts owing by the Issuer in respect of the Notes arising under the Programme pursuant to this Programme Memorandum. See Condition 8 (**Guarantee**) on pages 53 to 54.

The Notes may comprise, without limitation, Fixed Rate Notes, Floating Rate Notes, Mixed Rate Notes, Index-Linked Notes, Zero Coupon Notes and/or such combination of the foregoing Notes and/or such other type of Notes as may be determined by the Issuer and the relevant Dealer(s) and specified in the Applicable Pricing Supplement. Notes will be issued in individual Tranches which, together with other Tranches, may form a Series of Notes. A Tranche of Notes will be issued on, and subject to, the Terms and Conditions, as replaced, amended and/or supplemented by the terms and conditions of that Tranche of Notes set out in the Applicable Pricing Supplement.

This Programme Memorandum has been registered with the JSE. A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to all Applicable Laws. Unlisted Notes may also be issued under the Programme but will not be regulated by the JSE. Claims against the JSE Debt Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE in accordance with the rules of the JSE Debt Guarantee Fund Trust. The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the JSE or the JSE Debt Guarantee Fund Trust. A copy of the Applicable Pricing Supplement relating to a Tranche of Notes which is to be listed on the Interest Rate Market of the JSE will be delivered to the JSE and the CSD, before the Issue Date, and the Notes in that Tranche may be traded by or through members of the JSE from the date specified in the Applicable Pricing Supplement, in accordance with the Applicable Procedures. The settlement of trades on the JSE will take place in accordance with the electronic settlement procedures of the JSE and the CSD for all trades done through the JSE. The placement of a Tranche of unlisted Notes may (at the sole discretion of the Issuer) be reported through the JSE reporting system, in which event the settlement of trades in such Notes will take place in accordance with the electronic settlement procedures of the JSE and the CSD for all trades done through the JSE. The settlement and redemption procedures for a Tranche of Notes listed on any Financial Exchange (other than or in addition to the JSE) will be specified in the Applicable Pricing Supplement.

The Notes may be issued on a continuing basis and be placed by one or more of the Dealer(s) specified under the section headed "**Summary of the Programme**" and any additional Dealer(s) appointed under the Programme from time to time by the Issuer, which appointment may be for a specific issue or on an ongoing basis. GENERAL DESCRIPTION OF THE PROGRAMME

Capitalised terms used in this section headed “General Description of the Programme” shall bear the same meanings as those used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Issuer may from time to time issue one or more Tranches of Notes under the Programme, pursuant to this Programme Memorandum, provided that the aggregate outstanding Nominal Amount of all of the Notes issued under the Programme (including Notes (if any) issued under the Programme pursuant to the Previous Programme Memorandum) from time to time does not exceed the Programme Amount.

A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to Applicable Laws. Unlisted Notes may also be issued under the Programme. The Applicable Pricing Supplement will specify whether or not a Tranche of Notes will be listed and, if so, on which Financial Exchange. If the Issuer issues a Tranche of unlisted Notes which are settled through the CSD or a Tranche of Notes is listed on any Financial Exchange other than (or in addition to) the JSE, the Issuer will, by no later than the last Day of the month of issue of such Tranche of Notes, inform the JSE in writing of the aggregate Nominal Amount and the Maturity Date of that Tranche of Notes.

This Programme Memorandum and any supplement thereto will only be valid for the issue of Notes in an aggregate Nominal Amount, which when added to the aggregate Nominal Amount then Outstanding of all the Notes previously or simultaneously issued under the Programme (including Notes issued under the Programme pursuant to the Previous Programme Memorandum), does not exceed ZAR15,000,000,000 or its equivalent in other currencies. For the purpose of calculating the South African Rand equivalent of the aggregate Nominal Amount of the Notes issued under the Programme, from time to time, the South African Rand equivalent of the Notes denominated in another Specified Currency (as specified in the Applicable Pricing Supplement) shall be determined as of the date of agreement to issue such Notes (the **Agreement Date**) on the basis of the spot rate for the sale of the South African Rand against the purchase of such Specified Currency in the South African foreign exchange market quoted by any leading bank selected by the Issuer on the Agreement Date (the **Conversion Rate**) and in respect of:

- (a) Zero Coupon Notes and other Notes, the Conversion Rate shall be applied to the net subscription proceeds received by the Issuer for the relevant issue; and
- (b) Partly-Paid Notes and Index-Linked Notes, the Conversion Rate shall be applied to the Nominal Amount regardless of the amount paid up on such Notes.

From time to time, the Issuer may wish to increase the Programme Amount. Subject to the Applicable Procedures, all Applicable Laws and the Programme Agreement, the Issuer may, without the consent of Noteholders, increase the Programme Amount by delivering a notice thereof to the Noteholders in accordance with Condition 20 (*Notices*) of the Terms and Conditions, and to the Guarantor(s), the Arranger, the Dealer(s), the JSE and the CSD. Upon such notice being given to the Noteholders and the conditions set out in the Programme Agreement to exercise this right having been met, all references in this Programme Memorandum (and each agreement, deed or document relating to the Programme and/or this Programme Memorandum) to the Programme Amount will be, and will be deemed to be, references to the increased Programme Amount set out in such notice.

This Programme Memorandum will apply to all Notes issued under the Programme on or after the Programme Date.

The “*Summary of the Programme*” and the “*Terms and Conditions of the Notes*” are disclosed below.

SUMMARY OF THE PROGRAMME

The following summary does not purport to be complete and is taken from, and is qualified in its entirety by, the remainder of this Programme Memorandum and, in relation to the Terms and Conditions of any particular Tranche of Notes, the Applicable Pricing Supplement issued in relation to such Tranche of Notes. Capitalised terms used in this section headed "Summary of the Programme" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The obligations of each Guarantor under the Guarantee constitute unconditional (and subject to Condition 7 (<i>Negative Pledge</i>)) unsecured and unsubordinated obligations of such Guarantor(s) and will rank (subject to any obligations preferred by law) <i>pari passu</i> with all other present and future unsecured and unsubordinated obligations of the Guarantor(s). (See the section of this Programme Memorandum headed "<i>Terms and Conditions of the Guarantee</i>" and Condition 8 (<i>Guarantee</i>)).

Rating

The Issuer and/or Guarantor(s) and/or the Programme and/or a Tranche of Notes, as the case may be, may, on or before the Issue Date, be rated by a Rating Agency on a national scale or international scale basis. The Rating assigned to the Issuer and/or the Guarantor(s) and/or the Programme and/or a Tranche of Notes, as the case may be, as well as the Rating Agency(ies) which assigned such Rating(s), will be specified in the Applicable Pricing Supplement. Unrated Tranches of Notes may also be issued.

A Rating is not a recommendation to subscribe for, buy, sell or hold Notes and may be subject to revision, suspension or withdrawal at any time by the Rating Agency. Any adverse change in the Rating of the Issuer and/or the Guarantor(s) and/or the Programme and/or a Tranche of Notes, as the case may be, could adversely affect the trading price of all or any of the Notes. Any amendment in the Rating of the Issuer and/or the Guarantor(s) and/or the Programme and/or a Tranche of Notes, as the case may be, after the Programme Date, will be announced on SENS.

Redemption

Unless otherwise set out in the Applicable Pricing Supplement, a Tranche of Notes will be redeemed on the Maturity Date, as set out in Condition 11.1 (*Redemption at Maturity*).

If so specified in the Applicable Pricing Supplement, the Issuer may redeem the Notes of any Tranche at any time prior to the Maturity Date following the occurrence of a change in law and/or for tax reasons, as set out in Condition 11.2 (*Redemption for Tax Reasons*).

Unless otherwise set out in the Applicable Pricing Supplement, if "*Early Redemption at the Option of the Issuer*" is specified as applicable in the Applicable Pricing Supplement or pursuant to Condition 11.3 (*Redemption at the Option of the Issuer*), the Issuer may, having given not less than 30 (thirty) Days nor more than 60 (sixty) Days irrevocable notice (or such other period of notice as may be specified in the Applicable Pricing Supplement) to the Noteholders in accordance with Condition 20 (*Notices*), redeem the Tranche of Notes on any Optional Redemption Date(s), or unless otherwise set out in the Applicable Pricing Supplement.

Unless otherwise set out in the Applicable Pricing

Supplement, if “*Redemption at the Option of the Senior Noteholders*” is specified as applicable in the Applicable Pricing Supplement, the Senior Noteholders of any Tranche of Senior Notes may, having given not less than 30 (thirty) Days nor more than 60 (sixty) Days notice (or such other period of notice as may be specified in the Applicable Pricing Supplement), require the Issuer to redeem Senior Notes on any Optional Redemption Date in the manner specified in Condition 11.4 (*Redemption at the Option of the Senior Noteholders*) and the Applicable Pricing Supplement.

Unless otherwise set out in the Applicable Pricing Supplement, if “*Early Redemption in the event of a Change of Control*” is specified as being applicable in the Applicable Pricing Supplement and (i) a Change of Control occurs; and (ii) within the Change of Control Period, (A) a Rating Downgrade occurs in relation to the Issuer and/or the Guarantor(s) and/or the Programme and/or any Tranche of Notes, as the case may be; or (B) if, the Issuer and/or the Guarantor(s) and/or the Programme and/or any Tranche of Notes are not so rated, a Negative Rating Event in respect of that Change of Control occurs, (in either case, a **Change of Control Event**) (C) the Noteholders resolve by way of an Extraordinary Resolution to have their Notes redeemed by the Issuer, then each Noteholder in that Class of Noteholders shall have the option to require the Issuer to redeem each Note in that Tranche of Notes held by that Noteholder at its Early Redemption Amount together with accrued interest (if any) within 15 (fifteen) Days after the delivery by that Noteholder of a Change of Control Redemption Notice .

Unless otherwise set out in the Applicable Pricing Supplement, if “*Redemption in the event of a failure to maintain JSE Listing and Rating*” is specified as applicable in the Applicable Pricing Supplement, the Noteholders of any Tranche of Notes may, after having been notified by the Issuer in accordance with Condition 20 (*Notices*), require the Issuer to redeem Notes on any Optional Redemption Date in the manner specified in Condition 11.6 (*Redemption in the event of a failure to maintain JSE Listing and Rating*) and the Applicable Pricing Supplement.

Selling Restrictions

The distribution of this Programme Memorandum and/or any Applicable Pricing Supplement and any offering or sale of or subscription for a Tranche of Notes may be restricted by law in certain jurisdictions, and is restricted by law in the United States of America, the United Kingdom, the European Economic Area and South Africa (see the section of this Programme Memorandum headed “*Subscription and Sale*”). Any other or additional restrictions which are applicable to the placing of a Tranche of Notes will be set out in the Applicable Pricing Supplement. Persons who come into possession of this Programme Memorandum and/or any Applicable Pricing Supplement must inform themselves about and observe all applicable selling restrictions.

Size of the Programme

As at the Programme Date, the Programme Amount is ZAR15,000,000,000. This Programme Memorandum will only apply to Notes issued under the Programme in an

aggregate outstanding Nominal Amount which does not exceed the Programme Amount. The Issuer may increase the Programme Amount in the manner set out in the section of this Programme Memorandum headed “*General Description of the Programme*”. The Programme Amount at the time of the issue of any Tranche of Notes will be set out in the Applicable Pricing Supplement.

Specified Currency

South African Rand or, subject to all Applicable Laws and, in the case of Notes listed on the Interest Rate Market of the JSE and the Debt Listings Requirements of the JSE, such other currency as is specified in the Applicable Pricing Supplement.

Status of Senior Notes

Unless otherwise set out in the Applicable Pricing Supplement, Senior Notes constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* and rateably without any preference among themselves (subject to Condition 7 (*Negative Pledge*) and, save for certain debts required to be preferred by law), equally with all other present or future unsecured and unsubordinated obligations of the Issuer from time to time outstanding.

Status and Characteristics relating to Subordinated Notes

Unless otherwise set out in the Applicable Pricing Supplement, Subordinated Notes constitute direct, unconditional, unsecured and subordinated obligations of the Issuer and will rank *pari passu* among themselves and will rank at least *pari passu* with all other present and future direct, unconditional, unsecured and subordinated obligations of the Issuer, save for those which have been accorded preferential rights by law.

Subject to Applicable Laws, in the event of the dissolution of the Issuer or if the Issuer is placed into liquidation or wound up or is subject to business rescue proceedings, then and in any such event the claims of the Persons entitled to be paid amounts due in respect of the Subordinated Notes shall be subordinated to all other claims in respect of any other indebtedness of the Issuer except for other Subordinated Indebtedness of the Issuer, to the extent that, in any such event, and provided as aforesaid, no amount shall be eligible for setting-off or shall be payable to any or all of the Persons entitled to be paid amounts due in respect of the Subordinated Notes in respect of the obligations of the Issuer thereunder until all other indebtedness of the Issuer which is admissible in any such dissolution, liquidation, winding-up or business rescue proceedings (other than Subordinated Indebtedness) has been paid or discharged in full.

Stabilisation

In connection with the issue and distribution of any Tranche of Notes under the Programme, the Dealer(s), if any, that is specified in the Applicable Pricing Supplement as the Stabilising Manager (or any Person acting for the Stabilising Manager) may, if specified in that Applicable Pricing Supplement and only if such stabilising is permitted by the Debt Listings Requirements of the JSE and approved by the JSE, over-allot or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail for a limited period. However, there may be no obligation on the Stabilising Manager (or any agent of the Stabilising Manager) to do

this. Such stabilising, if commenced, may be discontinued at any time and must be brought to an end after a limited period. Such stabilising shall be in compliance with all Applicable Laws, regulations and rules.

Taxation

A summary of the applicable tax legislation in respect of the Notes, as at the Programme Date, is set out in the section of this Programme Memorandum headed "*Taxation*". The summary does not constitute tax advice. Potential investors in the Notes should, before making an investment in the Notes, consult their own professional advisers as to the potential tax consequences of, and their tax positions in respect of, an investment in the Notes.

Terms and Conditions

The terms and conditions of the Notes are set out in the section of this Programme Memorandum headed "*Terms and Conditions of the Notes*". The Applicable Pricing Supplements may specify other terms and conditions (which may replace, modify or supplement the Terms and Conditions) in relation to specific terms and conditions of the Notes of any Tranche of Notes issued.

Use of Proceeds

The Issuer will use the issue proceeds of the Notes for its general corporate purposes, or as may otherwise be described in the Applicable Pricing Supplement.

Withholding Taxes

In the event that any withholding tax or such other deduction is required by Applicable Law, then the Issuer will, subject to certain exceptions as provided in Condition 12 (*Taxation*), pay such additional amounts as shall be necessary in order that the net amounts received by the Noteholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, as the case may be, in the absence of such withholding or deduction.

INVESTOR CONSIDERATIONS / RISK FACTORS

Capitalised terms used in this section headed “Investor Considerations / Risk Factors” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Issuer believes that the factors outlined below may affect its ability to fulfil its obligations under the Notes. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring. In addition, factors which are material for the purpose of assessing the market risks associated with the Notes are also described below. The value of the Notes could decline due to any of these risks, and investors may lose some or all of their investment.

The Issuer believes that the factors described below represent the principal risks inherent in investing in the Notes, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons which may not be considered significant risks by the Issuer based on information available to it as at the Programme Date, or which it may not be able to anticipate as at the Programme Date. Accordingly, the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive.

Prospective investors should also read the detailed information set out elsewhere in this Programme Memorandum to reach their own views prior to making any investment decision.

References below to the “Terms and Conditions”, in relation to Notes, shall mean the “Terms and Conditions of the Notes” set out set out under the section of this Programme Memorandum headed “Terms and Conditions of the Notes”.

Factors that may affect the Issuer’s ability to fulfil its obligations under Notes issued under the Programme

Risks relating to the Notes

The Notes may not be a suitable investment for all investors

Each potential investor in any Notes must determine the suitability of that investment in the Notes in light of its own circumstances. In particular, each potential investor should:

- have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Programme Memorandum or any applicable supplement;
- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact such an investment will have on its overall investment portfolio;
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor’s currency;
- understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless such potential investor has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor’s overall investment portfolio.

There may not be an active trading market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. There is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

The Notes may be redeemed prior to maturity

Unless, in the case of any particular Tranche of Notes, the Applicable Pricing Supplement specifies otherwise, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the government of South Africa or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all Outstanding Notes in accordance with the Terms and Conditions.

In addition, if in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies that the Notes are redeemable at the Issuer's option in certain other circumstances, the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

Because uncertificated Notes are held in the CSD, investors will have to rely on the CSD's procedures for transfer, payment and communication with the Issuer

Notes issued under the Programme which are listed on the Interest Rate Market of the JSE or such other or additional Financial Exchange and/or held in the CSD may, subject to Applicable Laws and the Applicable Procedures, be issued in uncertificated form. Unlisted Notes may also be held in the CSD in uncertificated form. Notes held in the CSD will be issued, cleared and settled in accordance with the Applicable Procedures through the electronic settlement system of the CSD. Except in the limited circumstances described in the Terms and Conditions, investors will not be entitled to receive Individual Certificates. The CSD will maintain records of the Beneficial Interests in Notes and/or issued in uncertificated form, which are held in the CSD (whether such Notes are listed or unlisted). Investors will be able to trade their Beneficial Interests only through the CSD and in accordance with the Applicable Procedures.

Payments of principal and/or interest in respect of uncertificated Notes will be made to the CSD or the Participants and the Issuer will discharge its payment obligations under the Notes by making payments to or to the order of the CSD or the Participants for distribution to their account holders. A holder of a Beneficial Interest in uncertificated Notes, whether listed or unlisted, must rely on the procedures of the CSD to receive payments under the relevant Notes. Each investor shown in the records of the CSD or the Participants, as the case may be, shall look solely to the CSD or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such uncertificated Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, such Beneficial Interests.

Holders of Beneficial Interests in uncertificated Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by the CSD to appoint appropriate proxies.

Recourse to the JSE Debt Guarantee Fund Trust

The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the JSE Debt Guarantee Fund Trust. Claims against the JSE Debt Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE and in accordance with the rules of the JSE Debt Guarantee Fund Trust. Unlisted Notes are not regulated by the JSE.

Rating

Tranches of Notes issued under the Programme, the Issuer and/or the Programme, as the case may be, may be rated or unrated. A Rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning Rating Agency. Any adverse change in an applicable Rating could adversely affect the trading price for the Notes issued under the Programme.

Risks related to the structure of the particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of the Notes. During any period when the Issuer may elect to redeem the Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period. The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to re-invest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index-Linked and Dual Currency Notes

The Issuer may issue Notes, the terms of which provide for interest or principal payable in respect of such Notes to be determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a **Relevant Factor**) or with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- the market price of such Notes may be volatile;
- no interest may be payable on such Notes;
- payments of principal or interest on such Notes may occur at a different time or in a different currency than expected;
- the amount of principal payable at redemption may be less than the Nominal Amount of such Notes or even zero;
- a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable is likely to be magnified; and
- the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all or a portion of its investment.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Variable Rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate may at any time be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Notes where denominations involve integral multiples: Individual Certificates

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive an Individual Certificate in respect of such holding and would need to purchase a Principal Amount of Notes such that its holding amounts to a minimum Specified Denomination.

If Individual Certificates are issued, holders should be aware that Individual Certificates which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Modification and waivers and substitution

The Terms and Conditions contain provisions for calling meetings of Noteholders to consider matters affecting their general interests. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Change of law

The Notes are governed by, and will be construed in accordance with, South African law in effect as at the Programme Date. No assurance can be given as to the impact of any possible judicial decision or change to South African law or administrative practice in South Africa after the Programme Date.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Risks relating to the Issuer's Business

Below are the material risks impacting Northam Platinum Limited (the **Issuer** or **Northam**), as at the Programme Date.

Managing production and performance to ensure the successful execution of its business strategy

It is the role and responsibility of the executive management to set realistic strategic targets for the business, whilst it is the role of operational management to meet these targets. The success of this strategy affects shareholders and stakeholders alike. Operational underperformance and an unreliable energy supply could pose challenges for the Issuer in meeting its strategic objectives.

Continuing to improve the safety performance and the health and wellness of its employees

It is the Issuer's aim to improve the safety performance and the health and wellness of all employees in order to mitigate the health and safety risk. The Issuer does this by continuously seeking to reduce injuries, applying appropriate technologies, communication and training, and reinforcing operational standards and responsibility.

Execution risk associated with growth projects and the development of new operations

The Northam Group has a large capital expansion programme in place to secure its future through the creation of long-life, low-cost operations. Successful project execution is key to creating a sustainable business for the long-term benefit of all stakeholders.

Maintaining its legislative and regulatory compliance

The Issuer recognises that it does business within the legal framework of South Africa and aims for full compliance with the laws of the land. The risk of losing its social licence to operate in an ever-changing regulatory environment is a key focus point for the Issuer. Given its influence on its licence to operate, the most relevant aspects of legislation for the Issuer and its operations are the Mineral and Petroleum Resources Development Act, No. 28 of 2002 (MPRDA) and the associated Mining Charter.

Managing the environmental impact of its operations and conserving natural resources

The Issuer makes every effort to minimise its environmental impact by seeking to comply strictly with all environmental legislation and, where possible, it sets aside land for biodiversity conservation. The Issuer makes optimal use of and conserves South Africa's natural resources in order to mitigate the risk of water scarcity, an unreliable energy supply and losing its social licence to operate.

Maintaining constructive communication channels with all its stakeholders

The Issuer recognises that stakeholders, be they shareholders, employees, communities or government, have certain expectations of the Northam Group, not all of which may be appropriate or possible to meet. The Issuer understands and manages these expectations through credible and effective stakeholder engagement. This allows the Issuer to effectively mitigate the risk of potential labour and community unrest as well as losing its social licence to operate.

Exchange rate and commodity price volatility

Exchange rate and commodity price volatility results in significant financial exposure for the Northam Group.

Revenues, and therefore earnings, are dependent, *inter alia*, on prevailing exchange rates and commodity prices which are largely determined by the global economic climate. Commodities are priced in United States dollars while the Issuer's operating costs are denominated in ZAR, resulting in volatility of its profits.

The Issuer is a price taker, with no ability to influence the price of its commodities or to impact the exchange rate offered. Volatility in the exchange rate and commodity prices impacts the cash generating ability of the Issuer's operations and therefore its profitability.

For a comprehensive review of the various risks refer to the latest annual integrated report available on the Issuer's website at <https://www.northam.co.za/investors-and-media/publications/annual-reports>.

FORM OF THE NOTES

Capitalised terms used in this section headed “Form of the Notes” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

Notes issued in certificated form

All certificated Notes will be represented by a single Individual Certificate in registered form. Notes represented by Individual Certificates will be registered in the Register in the name of the individual Noteholders of such Notes.

Subject to the Applicable Laws, title to Notes represented by Individual Certificates will be freely transferable, fully paid up and will pass upon registration of transfer in accordance with Condition 16.2 (*Transfer of Notes represented by Individual Certificates*) of the Terms and Conditions.

The Issuer shall regard the Register as the conclusive record of title to the Notes represented by Individual Certificates.

Payments of all amounts due and payable in respect of Notes represented by Individual Certificates will be made in accordance with Condition 10 (*Payments*) of the Terms and Conditions to the Person reflected as the registered Noteholder of such Notes in the Register by 17h00 (South African time) on the Last Day to Register, and the payment obligations of the Issuer will be discharged by proper payment to or to the order of such registered Noteholder in respect of each amount so paid.

Notes issued in uncertificated form

A Tranche of Notes which is listed on the Interest Rate Market of the JSE will be freely transferable and fully paid up and must, subject to Applicable Laws and Applicable Procedures, be issued in uncertificated form in terms of section 33 of the Financial Markets Act.

Notes issued in uncertificated form will not be represented by any certificate or written instrument. A Tranche of Notes issued in uncertificated form will be held by the CSD, and the relevant Noteholder will be named in the Uncertificated Securities Register as the registered Noteholder of that Tranche of Notes.

Beneficial Interests in Notes held in the CSD

A Tranche of Notes which is listed on the Interest Rate Market of the JSE must be issued in uncertificated form and held in the CSD. A Tranche of unlisted Notes may also be held in the CSD. 9.1. **Fixed Rate Notes**

9.1.1. Each Fixed Rate Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement at the rate(s) per annum equal to the Fixed Rate of Interest so specified, payable in arrears on the Interest Payment Dates in each year up to and including the Maturity Date.

9.1.2. The first payment of interest will be made on the Interest Payment Date following the Interest Commencement Date.

9.1.3. Except as provided in the Applicable Pricing Supplement, the amount of interest payable per Note on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount, provided that:

9.2. Floating Rate Notes and Indexed Interest Notes

Interest Payment Dates

Each Floating Rate Note and Indexed Interest Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement, and such interest will be payable in arrears on the Interest Payment Date(s) in each year (if applicable) specified in the Applicable Pricing Supplement. Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date) up to and including the Maturity Date.

Rate of Interest

The Rate of Interest payable from time to time in respect of the Floating Rate Notes and Indexed Interest Notes will be determined in the manner specified in the Applicable Pricing Supplement.

Minimum and/or Maximum Rate of Interest

If the Applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the Applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be limited to such Maximum Rate of Interest.

Determination of Rate of Interest and Calculation of Interest Amount

The Calculation Agent, in the case of Floating Rate Notes and Indexed Interest Notes will at, or as soon as is practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the Interest Amount payable in respect of each Floating Rate Note and Indexed Interest Note in respect of each Specified Denomination for the relevant Interest Period, and the Calculation Agent shall notify the Issuer of the Rate of Interest for the relevant Interest Period as soon as is practicable after calculating the same. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half a Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Interest Determination, Screen Rate Determination including Fallback Provisions

Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any). For the purposes of this sub-paragraph, **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate (as defined in the ISDA Definitions) that would be determined by such agent as a notional amount under an interest rate swap transaction if that agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the most recent ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;
- (b) the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- (c) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on ZAR-JIBAR-SAFEX, the first Day of the applicable Interest Period; or (ii) in any other case, as specified in the Applicable Pricing Supplement.

For the purposes of the above sub-paragraph **Floating Rate**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions specified in the Applicable Pricing Supplement.

Where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject to the provisions below, be either:

- (a) if the Relevant Screen Page is available,
 - (i) the offered quotation (if only one quotation appears on the Relevant Screen Page); or
 - (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage per annum) for the Reference Rate which appears on the Relevant Screen Page as at 11h00 (Johannesburg time) (or as otherwise specified in the Applicable Pricing Supplement) on the Interest Rate Determination Date in question plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If 5 (five) or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations; or

- (b) if the Relevant Screen Page is not available or if, in the case of (a)(i) above, no such offered quotation appears or, in the case of (a)(i) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Johannesburg office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11h00 (Johannesburg time) on the Interest Rate Determination Date in question. If 2 (two) or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent; or
- (c) if the Rate of Interest cannot be determined by applying the provisions of (a) and (b) above, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately 11h00 (Johannesburg time) on the relevant Interest Rate Determination Date, deposits in an amount approximately equal to the Nominal Amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate to prime banks in the Johannesburg inter-bank market plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the Rate of Interest for the relevant Interest Period will be determined by the Calculation Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the Nominal Amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 11h00 (Johannesburg time) on the relevant Interest Rate Determination Date, by the Reference Banks plus or minus (as appropriate) the Margin (if any). If the Rate of Interest cannot be determined in accordance with the foregoing provisions of this Condition 9.2(c), the Rate of Interest shall be determined as at the last preceding Interest Determination Date (through substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than ZAR-JIBAR-SAFEX, the Rate of Interest in respect of such Notes will be determined as provided in the Applicable Pricing Supplement.

Notification of Rate of Interest and Interest Amount

The Issuer will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be announced on SENS and notified to the JSE and the CSD and/or every other relevant exchange or authority as soon as possible after their determination but in any event no later than the 3rd (third) Business Day before the relevant Interest Payment Date. Each Interest Amount, Interest Payment Date or effective Rate of Interest, as the case may be, so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period or a change in the effective Rate of Interest. Any such amendment will be promptly notified to the JSE, the CSD and/or every other relevant exchange or authority and to the Noteholders *via* SENS in accordance with Condition 20 (*Notices*) and at least 3 (three) Business Days prior to the relevant Interest Payment Date.

Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 9.2 (*Floating Rate Notes and Indexed Interest Notes*), by the Calculation Agent shall (in the absence of wilful deceit, bad faith or manifest error or proven error) be binding on the Issuer and all Noteholders and in the absence as aforesaid no liability to the Issuer or the Noteholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

9.3. **Dual Currency Interest Notes**

In the case of Dual Currency Interest Notes, the Interest Rate or Interest Amount payable shall be determined in the manner specified in the Applicable Pricing Supplement.

9.4. **Mixed Rate Notes**

The Interest Rate payable from time to time on Mixed Rate Notes shall be the Interest Rate payable on the form of interest-bearing Note (be it a Fixed Rate Note, Floating Rate Note, Index-Linked Note or Dual Currency Note) specified for each respective period, each as specified in the Applicable Pricing Supplement. During each such applicable period, the Interest Rate on the Mixed Rate Notes shall be determined and fall due for payment on the basis that such Mixed Rate Notes are Fixed Rate Notes, Floating Rate Notes, Index-Linked Notes or Dual Currency Notes, as the case may be.

9.5. **Accrual of Interest**

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date of its redemption unless, upon due presentation thereof, payment of principal or the Early Redemption Amount is improperly withheld or refused. In such event, interest will continue to accrue on the Nominal Amount of the Note or part of the Note at the Rate of Interest as specified in the Applicable Pricing Supplement, plus interest at the Default Rate specified in the Applicable Pricing Supplement (if any) until the date on which all amounts due in respect of such Note have been paid, or, in respect of uncertificated Notes, the date on which the full amount of the money payable has been received by the CSD and/or the Participants and notice to that effect has been given to Noteholders in accordance with Condition 20 (*Notices*).

9.6. **Business Day Convention**

If any Interest Payment Date (or other date), which is specified in the Applicable Pricing Supplement to be subject to adjustment in accordance with a Business Day convention, would otherwise fall on a Day that is not a Business Day, then, if the Business Day convention specified is:

- (a) the **Floating Rate Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next Day which is a Business Day unless it would thereby fall into the next calendar month, in which event: (i) such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day and (ii) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the number of months, or other period specified as the Interest Period in the Applicable Pricing Supplement, after the preceding applicable Interest Payment Date (or other date) has occurred; or

- (b) the **Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next Day which is a Business Day; or
- (c) the **Modified Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next Day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other such date) shall be brought forward to the first preceding Business Day; or
- (d) the **Preceding Business Day Convention**, such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day.

If the Issuer is prevented or restricted directly or indirectly from making any payment by electronic funds transfer in accordance with the preceding paragraph (whether by reason of strike, lockout, fire, explosion, floods, riot, war, accident, act of God, embargo, legislation, shortage of or breakdown in facilities, civil commotion, unrest or disturbances, cessation of labour, Government interference or control or any other cause or contingency beyond the control of the Issuer), the Issuer shall make such payment by cheque marked "*not transferable*" (or by such number of cheques as may be required in accordance with applicable banking law and practice to make payment of any such amounts). Such payments by cheque shall be sent by post to the address of the Noteholder as set forth in the Register or, in the case of joint Noteholders, the address set forth in the Register of that one of them who is first named in the Register in respect of that Note.

Each such cheque shall be made payable to the relevant Noteholder or, in the case of joint Noteholders, the first one of them named in the Register. Cheques may be posted by ordinary post, provided that neither the Issuer, nor the Paying Agent, the CSD nor the Participant shall be responsible for any loss in transmission and the postal authorities shall be deemed to be the agent of the Noteholders for the purposes of all cheques posted in terms of this Condition 10.2 (*Method of Payment*).

10.3. **Payment Day**

10.3.1. Notwithstanding anything to the contrary contained in the Terms and Conditions, if the date for payment of any amount payable in respect of any Note is not a Business Day, then if a Business Day convention:

10.3.1.1. is not specified in the Applicable Pricing Supplement, such date for payment shall be the following Business Day; and

10.3.1.2. is specified in the Applicable Pricing Supplement, such date for payment shall be adjusted according to such Business Day convention, and shall accrue up and until, but exclude the relevant Interest Payment Date, and be paid to the Noteholder on the relevant Interest Payment Date.

11.2. **Redemption for Tax Reasons**

Notes may be redeemed at the option of the Issuer at any time (in the case of Notes other than Floating Rate Notes, Indexed Interest Notes or Mixed Rate Notes having an Interest Rate then determined on a floating or indexed basis) or on any Interest Payment Date (in the case of Floating Rate Notes, Indexed Interest Notes or Mixed Rate Notes), on giving not less than 30 (thirty) Days nor more than 60 (sixty) Days notice to the Noteholders prior to such redemption, in accordance with Condition 20 (*Notices*) (which notice shall be irrevocably certified by 2 (two) authorised directors of the Issuer and include particulars of the relevant change pursuant to Condition 11.2.1 below), if the Issuer, immediately prior to the giving of such notice, is of the reasonable opinion that:

- 11.2.2.2. *mutatis mutandis* in the manner described in Condition 11.3 (*Redemption at the Option of the Issuer*), provided that the references to the giving of notice therein and to the Minimum Redemption Amount and the Higher Redemption Amount (both as specified in the Applicable Pricing Supplement) therein shall be disregarded for such purposes.

Notes redeemed for tax reasons pursuant to this Condition 11.2 (*Redemption for Tax Reasons*) will be redeemed at their Early Redemption Amount referred to in Condition 11.7 (*Early Redemption Amounts*), together (if appropriate) with interest accrued from (and including) the immediately preceding Interest Payment Date to (but excluding) the date of redemption or as specified in the Applicable Pricing Supplement.

11.3. **Redemption at the Option of the Issuer**

If the Issuer has specified in the Applicable Pricing Supplement to having an option to redeem, the Issuer may, having given not less than 30 (thirty) Days nor more than 60 (sixty) Days irrevocable notice to the Noteholders in accordance with Condition 20 (*Notices*) or unless otherwise specified with the Applicable Pricing Supplement, redeem all or some of the Notes (to which such Applicable Pricing Supplement relates) then Outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the Applicable Pricing Supplement, together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Any such redemption must be of a Nominal Amount equal to the Minimum Redemption Amount or a Higher Redemption Amount, both as indicated in the Applicable Pricing Supplement.

In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by Individual Certificates, and in accordance with the Applicable Procedures in the case of Redeemed Notes which are uncertificated, and in each case not more than 30 (thirty) Days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**).

In the case of Redeemed Notes represented by Individual Certificates, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 20 (*Notices*) not less than 15 (fifteen) Days prior to the date fixed for redemption. The aggregate Nominal Amount of Redeemed Notes represented by Individual Certificates shall bear the same proportion to the aggregate Nominal Amount of all Redeemed Notes as the aggregate Nominal Amount of Individual Certificates outstanding bears to the aggregate Nominal Amount of the Notes Outstanding, in each case on the Selection Date, provided that such first mentioned Nominal Amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination and the aggregate Nominal Amount of Redeemed Notes which are uncertificated shall be equal to the balance of the Redeemed Notes. No exchange of the relevant uncertificated Notes will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph, and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 20 (*Notices*) at least 10 (ten) Days prior to the Selection Date.

Holders of Redeemed Notes shall surrender the Individual Certificates, if any, representing the Notes in accordance with the provisions of the notice given to them by the Issuer as contemplated above. Where only a portion of the Notes represented by such Individual Certificates are redeemed, the Transfer Agent shall deliver new Individual Certificates to the Noteholders, as the case may be, in respect of the balance of the Notes.

11.4. **Redemption at the Option of the Senior Noteholders**

If Senior Noteholders are specified in the Applicable Pricing Supplement as having an option to request the redemption of Senior Notes, such Senior Noteholders may exercise such option in respect of such Senior Notes by delivering to the Transfer Agent, in accordance with Condition 20 (*Notices*), a duly executed notice (**Put Notice**), at least 30 (thirty) Days but not more than 60 (sixty) Days, prior to the Optional Redemption Date.

For redemption in part, the redemption amount specified in such Put Notice in respect of any such Senior Note must be of a principal amount equal to or greater than the Minimum Redemption Amount or equal to or less than the Higher Redemption Amount, each as indicated in the Applicable Pricing Supplement.

The redemption by the Senior Noteholders of uncertificated Senior Notes shall take place in accordance with the Applicable Procedures.

The Issuer shall proceed to redeem the Senior Notes in respect of which such option has been exercised in accordance with the terms of the Applicable Pricing Supplement, at the Optional Redemption Amount(s) and on the Optional Redemption Date(s), together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

In the event that the redeeming Senior Noteholder is the holder of an Individual Certificate, then such Senior Noteholder shall (attached to the Put Notice) deliver the Individual Certificate to the Transfer Agent at least 1 (one) Business Day prior to the Optional Redemption Date for cancellation, failing which the Put Notice shall be invalid. A holder of an Individual Certificate shall, in that holder's Put Notice, specify a bank account in South African into which the redemption payment amount is to be paid.

If, prior to such due date for its redemption, such Note becomes immediately due and payable or if upon due presentation payment of such redemption monies is improperly withheld or refused, the Transfer Agent shall post such Note by uninsured post to, and at the risk of, the relevant Noteholder (unless the Noteholder has otherwise requested and paid the costs of such insurance to the Transfer Agent at the time of depositing the Notes) at such address as may have been given by the Noteholder in the Put Notice. At the end of each period for the exercise of such option, the Transfer Agent shall promptly notify the Issuer of the Nominal Amount of the Notes in respect of which such option has been exercised with it and the serial numbers in respect of any Notes represented by an Individual Certificate.

The delivery of Put Notices shall be required to take place during normal office hours to the Issuer and Transfer Agent. Put Notices shall be available for inspection at the Specified Address of the Transfer Agent.

Any Put Notice given by a Senior Noteholder holder pursuant to this Condition 11.4 (*Redemption at the Option of the Senior Noteholders*) shall be irrevocable except where, after giving the notice but prior to the due date of redemption, an Event of Default shall have occurred and be continuing in which event such Senior Noteholder, at its option, may elect by notice to the Issuer delivered at least 1 (one) Business Day prior to the Optional Redemption Date to withdraw the notice given pursuant to this Condition 11.4 (*Redemption at the Option of the Senior Noteholders*) and instead to declare such Senior Note forthwith due and payable pursuant to Condition 18 (*Events of Default*).

The Issuer shall have no liability to remedy any defects in any Put Notice or bring any such defects to the attention of any Noteholder.

11.5. **Redemption in the event of a Change of Control**

The provisions of this Condition 11.5 (*Redemption in the event of a Change of Control*) shall apply if specified as applicable in the Applicable Pricing Supplement.

- 11.5.2. Promptly upon the Issuer becoming aware that a Change of Control Event has occurred, the Issuer shall give notice to the Noteholders in accordance with Condition 20 (*Notices*) specifying the nature of the Change of Control Event and the circumstances giving rise to it and the procedure for exercising the option set out in Condition 11.5.4.
- 11.5.3. If a Change of Control Event occurs at any time while any Note remains Outstanding, then provided the Noteholders have:

 - (ii) resolved in terms of Condition 22 (*Meetings of Noteholders/Consent Process*) by way of Extraordinary Resolution to require the redemption of the Notes of that Class of Noteholders in these circumstances,

the Issuer shall redeem all Notes held by that Class of Noteholders at its Early Redemption Amount together with accrued interest (if any) within 15 (fifteen) Days of having received a written notice from that Class of Noteholders to redeem such Note (a **Change of Control Redemption Notice**).
- 11.5.4. Such option shall be exercisable by a Class of Noteholders through the delivery of a written notice (a Change of Control Redemption Notice) to the Issuer at its registered office within 60 (sixty) Days after the occurrence of a Change of Control Event, unless prior to the delivery by that Noteholder of its Change of Control Redemption Notice the Issuer gives notice to redeem the Notes.

The delivery by the Issuer of the Exchange Securities in the manner set out in the Applicable Pricing Supplement shall constitute the *in specie* redemption in full of such Notes.

11.11. Purchases

11.11.1. The Issuer or any of its Subsidiaries may, subject to the Applicable Laws, at any time purchase Notes, save for any instance where Issuer or any of its Subsidiaries are in possession of unpublished price sensitive information (pursuant to the Financial Markets Act) or it is an automatic purchase to a credit-linked Note resulting from a credit event being called or a purchase pursuant to the exercise of an early redemption right in accordance with these Terms and Conditions by a holder of such Notes, at any price in the open market or otherwise.

In such event, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the Noteholders after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, as the case may be, in the absence of such withholding or deduction, except that no such additional amounts shall be payable with respect to any Note:

- 12.1. held by or on behalf of a Noteholder who is liable for such taxes or duties in respect of such Note by reason of his having some connection with South Africa other than the mere holding of such Note or the receipt of principal or interest in respect thereof; or
- 12.2. presented for payment by or on behalf of, or held by, a Noteholder who could lawfully avoid (but has not so avoided) such withholding or deduction by complying with any statutory requirements in force at the present time or in the future by making a declaration of non-residence or other similar claim or filing for exemption to which it is entitled to the relevant tax authority or the Paying Agent (the effect of which is not to require the disclosure of the identity of the relevant Noteholder); or

- 12.3. where such withholding or deduction is in respect of taxes levied or imposed on interest or principal payments only by virtue of the inclusion of such payments in the taxable income (as defined in section 1 of the Income Tax Act) or taxable capital gain (as defined in paragraph 1 of Schedule 8 to the Income Tax Act) of any Noteholder; or
- 12.4. where (in the case of payment of principal and/or interest which is conditional on surrender and/or presentation of the relevant Individual Certificate in accordance with the Terms and Conditions) the relevant Individual Certificate is surrendered and/or presented more than 30 (thirty) Days after the Payment Day, except to the extent that the Noteholder thereof would have been entitled to an additional amount on presenting the same for payment on such 30th (thirtieth) Day; or
- 12.5. if such withholding or deduction arises through the exercise by revenue authorities of special powers in respect of tax defaulters.

Any reference in these Terms and Conditions to any amounts in respect of the Notes shall be deemed also to refer to any additional amounts which may be payable under these Terms and Conditions or under any undertakings given in addition to, or in substitution for, these Terms and Conditions.

The Issuer and (if applicable) the CSD and the relevant Participant shall be entitled to retain any amount payable upon the Notes to which any Person is so entitled until such Person shall be registered as aforesaid or until such time such Notes are duly transferred.

13.4. Costs

The costs and expenses of the printing, issue and delivery of each Individual Certificate and all taxes and governmental charges that may be imposed in relation to such Individual Certificate and/or the printing, issue and delivery of such Individual Certificate shall be borne by the Noteholder represented by that Individual Certificate. Separate costs and expenses relating to the provision of Individual Certificates and/or the transfer of Notes may be levied by other Persons, such as a Participant, under the Applicable Procedures, and such costs and expenses shall not be borne by the Issuer. 14.4. Except as provided for in these Terms and Conditions or as required by law, the Issuer shall not be bound to enter any trust in the Register or to take notice of or to accede to the execution of any trust (express, implied or constructive) to which any Individual Certificate may be subject.

DESCRIPTION OF NORTHAM PLATINUM LIMITED

Capitalised terms used in this section headed “Description of Northam Platinum Limited” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

1. INTRODUCTION

Northam Platinum Limited (the **Issuer** or **Northam**) is an independent, fully empowered, integrated Platinum Group Metal (**PGM**) producer. Northam’s existing core producing business assets are the Zondereinde, and Booyssendal mines, and its primary products are the three main PGMs – platinum, palladium, rhodium – and gold (**4E**). Northam’s aspirational target is to produce 1 million 4E oz per annum.

The primary consumers of these PGMs are the automotive-manufacturing and jewellery industries. Other industrial uses range from chemical and electrical applications to the manufacturing of glass. PGMs are traded on international markets where the metal prices are determined by global supply and demand, and are US dollar-denominated. Northam has no influence on the sales price of its metal and is essentially a price taker. The metal is sold in sponge or ingot form to customers in the US, Europe and Asia.

Northam was incorporated on 7 October 1977 and its shares are listed on the JSE Limited (**JSE**). Its equity share code is “**NHM**” and its debt issuer code is “**NHMI**”. Northam’s shareholders are predominantly South African institutions who hold the majority of the equity.

Northam is fully empowered with Zambezi Platinum (RF) Limited (**Zambezi**), a special purpose Black Economic Empowerment vehicle, holding 31.4% of the issued share capital of Northam. Zambezi comprises a range of Historically Disadvantaged South African stakeholders including an employee trust, two community trusts, a women’s group and a core group of strategic partners. Zambezi financed the acquisition of shares in Northam through a preference share arrangement, which preference shares were listed on the debt market of the JSE in May 2015.

More information pertaining to the Northam Group, including its financial performance, operational performance, health and safety performance, mineral resources and mineral reserves can be found on its website at www.northam.co.za.

1.1 Assets and resources

1.1.1 Zondereinde – mining operations

The Zondereinde mine (**Zondereinde**) is an established, conventional, long life operation with traditional drill and blast narrow tabular reef mining on a standard breast layout which mines UG2 and Merensky ore bodies. All mining is performed by a full suite of hydropowered equipment. Zondereinde pioneered hydropowered technology in mining and the use of backfill as primary support. The mine is located on the northern end of the western limb of the Bushveld Complex near the town of Thabazimbi.

Zondereinde has the potential to mine up to 350 000 4E oz per annum and its life of mine extends to beyond 30 years.

Northam’s processing and refining capability presents a significant strategic advantage for the group. Zondereinde’s metallurgical facilities consist of two smelters with a total capacity of 35MW (able to process in excess of 1 million ounces per annum) and a base metal removal plant. All metal concentrate received from the Booyssendal and Eland mines are processed at Zondereinde’s metallurgical facilities.

Booyssendal – mining operations

Please refer to the section entitled “*Description of Booyssendal Platinum Proprietary Limited*” below for information on the Booyssendal mine’s operations.

1.1.2 Eland – mining operations

In January 2018, Northam acquired the Eland mine (**Eland**) which was on care and maintenance at the time. Eland employs a shallow conventional mining method with mechanised ore transport, using breast stoping and underground conveyors. Eland has existing surface infrastructure comprising a 250 000 tonnes per month capacity

concentrator with both PGM and chrome circuits, a large tailings storage facility, offices, change houses, medical station, training centre, laboratory and workshops.

As at the Programme Date, development and recommissioning of Eland mine was underway.

1.1.3 **Northam Recovery Services operations**

In July 2017, Northam purchased a suite of PGM recycling equipment and the associated premises from A-1 Specialized Services Inc., a recycler of PGMs. The business is located in the state of Pennsylvania, United States of America.

Northam Recovery Services processes salvage automotive catalytic converters, obtained worldwide from networks of dismantlers, scrap yards, parts dealers, and manufacturers, to recover platinum, palladium and rhodium.

Northam is slowly commencing operations to establish a working procedure with reputable suppliers.

The PGM material arising from these recycled convertors will be treated at the Zondereinde metallurgical facilities.

1.2 **Description of guarantees and other relevant financial arrangements**

Booyseendal Platinum Proprietary Limited as well as Eland Platinum Proprietary Limited have guaranteed any amounts due but not paid by Northam in terms of the Nedbank Limited revolving credit facility and general banking facility. In addition, Booyseendal Platinum Proprietary Limited has also guaranteed any amount due but not paid by Northam in terms of the ZAR 15,000,000,000 Domestic Medium-Term Note Programme.

MANAGEMENT STRATEGY

Northam is continually investing in its business in order to safely and efficiently grow all operations into long-life, major producers of PGMs, whilst continuously moving down the cost curve.

3. CORPORATE GOVERNANCE

The Issuer has adopted and complies with the King IV Report on Corporate Governance™ for South Africa, 2016 (**King IV™**). The board and board sub-committee charters, code of ethics and various internal policies and procedures are in place to both regulate and guide the Issuer's conduct as a responsible corporate citizen. Northam's application and explanation of the King IV principles is available at Northam's registered office, for inspection and its website at www.northam.co.za/governance/corporate-governance.

3.1 Northam's governance philosophy

The board of directors and management of Northam are committed to good corporate governance, facilitated by ethics, transparency and accountability.

Northam believes that this approach underpins the effective management of its business, the execution and delivery of its strategy, the mitigation of the risks they face, the way they communicate with stakeholders and ultimately the long-term sustainability of the group.

Northam's corporate governance philosophy, approach, standards, policies and practices support the achievement of each of the King IV™ principles and governance outcomes.

3.2 Northam's ethics

The board maintains that ethics and integrity are fundamental to an effective governance framework and the foundation for developing a culture that supports employee, customer and investor confidence.

The board accepts collective responsibility for defining how ethics and ethical behaviour are implemented and monitored throughout the group. Northam's code of ethics and conduct applies to both directors and employees and governs the interaction between the group and its suppliers and clients.

It furthermore covers the use of group assets and confidential information, the group's approach to gender and racial diversity, freedom of association, bribery and corruption, compliance and insider trading.

A copy of Northam's code of ethics and conduct can be found on its website at www.northam.co.za/governance/policies-and-procedures.

3.3 Monitoring ethics

Ethics is monitored through various means, including an independent ethics and fraud hotline available on Northam's website. Ethics and fraud hotline reports are a standard agenda item for the audit and risk committee, and management updates the committee members at each meeting of transgressions recorded.

Employees are encouraged to report any approach made to them or of which they are aware, by any person or entity seeking favour or preference in terms of business dealings with the group.

Northam's independent ethics and fraud hotline is supported by strong investigative capabilities and rigorous disciplinary processes and sanctions.

4. RISK MANAGEMENT

Northam's enterprise risk management framework guides management's decision making and ensures that risks are identified timeously, evaluated appropriately and mitigated, where possible.

Business and operational uncertainty carry both risks and opportunities, the mitigation or pursuit of which require a fine balance based on the organisational objectives. Northam's approach to risk may be defined as the amount of risk that it deems appropriate to take in the pursuit of value.

Northam's risk management philosophy is underpinned by:

- 4.1 the Northam Group's ability to identify and mitigate risks which may hamper its performance;
- 4.2 the Northam Group's ability to tolerate and accept a certain amount of risk in order to achieve its strategic goals;
- 4.3 the development of a risk register and the attachment of weightings and significance to the identified risks; and
- 4.4 constant evaluation and re-rating of identified risks.

The board of directors oversees the risk management process, which is aligned with the principles of King IV™ as issued by The Institute of Directors in Southern Africa, along with generally accepted good practice.

Risk management is a process which is embedded throughout the organisation. The responsibility and accountability for the design and implementation of risk management rests with management and employees. However, the board retains accountability and responsibility for the oversight of risk management.

A two-tiered approach to risk management is followed: top down and bottom up.

Northam implements annual reviews of the nature and extent of identified risks, the development of its risk appetite, and the setting and monitoring of risk tolerances that it is willing to accept in pursuit of realising its business strategy. The risk appetite outlines the tolerance framework for the amount of risk Northam is willing to bear, providing management with a basis to evaluate the material impact of the risk. This ensures that Northam's strategic plans demonstrate sufficient risk-taking in order to achieve shareholder expectations of risk versus reward. This framework also ensures that the total risk profile remains within acceptable boundaries and that the risk appetite

is not exceeded.

Based on Northam's risk appetite and tolerance framework, the board is able to determine whether:

- the strategic plans for Northam demonstrate sufficient risk taking to achieve shareholder expectations, i.e. Northam is exploiting its appetite to take risks adequately and optimally; and
- the group's total risk profile remains within the boundaries of its risk appetite.

The audit and risk committee has oversight of the risk management process, while each board committee is responsible for evaluating the material risks in terms of its merit.

For the most updated listing of risks facing the group, refer to the latest annual integrated report available on the Northam website at <https://www.northam.co.za/investors-and-media/publications/annual-reports>.

Each Tranche of Notes which is listed on the Interest Rate Market of the JSE in uncertificated form will be held in the CSD. A Tranche of unlisted Notes may also be held in the CSD.

Clearing systems

Each Tranche of Notes listed on the Interest Rate Market of the JSE will be issued, cleared and settled in accordance with the Applicable Procedures for the time being of the JSE and the CSD through the electronic settlement system of the CSD. Such Notes will be cleared by Participants who will follow the electronic settlement procedures prescribed by the JSE and the CSD.

The CSD has, as the operator of an electronic clearing system, been appointed by the JSE to match, clear and facilitate the settlement of transactions concluded on the JSE. Subject as aforesaid, each Tranche of Notes which is listed on the Interest Rate Market of the JSE will be issued, cleared and transferred in accordance with the Applicable Procedures and the Terms and Conditions, and will be settled through Participants who will comply with the electronic settlement procedures prescribed by the JSE and the CSD. The Notes may be accepted for clearance through any additional clearing system as may be agreed between the JSE, the Issuer and the Dealer(s).

Participants

The CSD maintains accounts for Participants. As at the Programme Date, the Participants which are approved by the CSD, in terms of the Applicable Procedures, as Settlement Agents to perform electronic settlement of funds and scrip are ABSA Bank Limited; Citibank N.A. South Africa Branch; FirstRand Bank Limited Nedbank Limited; The Standard Bank of South Africa Limited; Standard Chartered Bank, Johannesburg Branch and the South African Reserve Bank. Euroclear, Bank S.A./N.V, as operator of the Euroclear System (**Euroclear**), and Clearstream Banking, société anonyme, (Clearstream Luxembourg) (**Clearstream**) as operator of the Euroclear System, and Clearstream will settle off-shore transfers in the Notes through their Participants.

Settlement and clearing

Participants will be responsible for the settlement of scrip and payment transfers through the CSD, the JSE and the South African Reserve Bank.

While a Tranche of Notes is held in the CSD, the Noteholder will be named in the Register as the holder of the Notes in that Tranche in accordance with the Applicable Procedures. All amounts to be paid in respect of Notes held in the CSD will be paid to the relevant Participants on behalf of the relevant Noteholder pursuant to the Applicable Procedures. All rights to be exercised in respect of Notes held in the CSD will be exercised by the relevant Noteholder.

In relation to each Person shown in the records of the CSD or the relevant Participant, as the case may be, as the holder of a Beneficial Interest in a particular Nominal Amount of Notes, a certificate or other document issued by the CSD or the relevant Participant, as the case may be, as to the Nominal Amount of such Notes standing to the account of such Person shall be *prima facie* proof of such Beneficial Interest. However, the Noteholder as the registered holder of such Notes named in the Uncertificated Securities Register will be treated by the Issuer, the Paying Agent, the Transfer Agent and the CSD as the holder of that aggregate Nominal Amount of such Notes for all purposes.

Payments of all amounts in respect of a Tranche of Notes which is listed on the Interest Rate Market of the JSE and/or held in uncertificated form will be made to the CSD, which in turn will transfer such funds, via the Participants, to the holders of Beneficial Interests. Each of the Persons reflected in the records of the CSD as the holders of Beneficial Interests in Notes shall look solely to the CSD or the relevant Participant, as the case may be, for such Person's share of each payment so made by (or on behalf of) the Issuer to, or for the order of, the CSD.

Payments of all amounts in respect of a Tranche of Notes which is listed on the Interest Rate Market of the JSE and/or held in uncertificated form will be recorded by the CSD, distinguishing between interest and principal, and such record of payments by the CSD, shall be *prima facie* proof of such payments.

Transfers and exchanges

Subject to the Applicable Laws and the Applicable Procedures, title to Beneficial Interest held by Noteholders through the CSD will be freely transferable and will pass on transfer thereof by electronic book entry in the securities accounts maintained by the CSD or relevant Participants for such Noteholders.

Beneficial Interests may be exchanged for Notes represented by Individual Certificates in accordance with Condition 16.2 (*Transfer of Notes represented by Individual Certificates*).

Records of payments, trust and voting

Neither the Issuer nor the Paying Agent will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, Beneficial Interests, or for maintaining, supervising or reviewing any records relating to Beneficial Interests. Neither the Issuer nor the Paying Agent nor the Transfer Agent will be bound to record any trust in the Register or to take notice of or to accede to the execution of any trust (express, implied or constructive) to which any Note may be subject. Holders of Beneficial Interests vote in accordance with the Applicable Procedures.

JSE Debt Guarantee Fund Trust

The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the JSE or the JSE Debt Guarantee Fund Trust. Claims against the JSE Debt Guarantee Fund Trust may only be made in respect of the trading of the Notes listed on the Interest Rate Market of the JSE and in accordance with the rules of the JSE Debt Guarantee Fund Trust.

Notes listed on any Financial Exchange other than (or in addition to) the Interest Rate Market of the JSE

Each Tranche of Notes which is listed on any Financial Exchange other than (or in addition to) the Interest Rate Market of the JSE will be issued, cleared and settled in accordance with the rules and settlement procedures for the time being of that Financial Exchange. The settlement and redemption procedures for a Tranche of Notes which is listed on any Financial Exchange (other than or in addition to the JSE) will be specified in the Applicable Pricing Supplement.

SUBSCRIPTION AND SALE

Capitalised terms used in this section headed "Subscription and Sale" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Dealer(s) have in terms of the amended and restated programme agreement dated 29 October 2020 entered into amongst the Issuer, the Arranger, Dealer(s) and Guarantor, as may be amended, supplemented or restated from time to time (the **Programme Agreement**), agreed with the Issuer on a basis upon which it may from time to time agree to subscribe for Notes or procure the subscription of the Notes.

Selling restrictions

South Africa

Each Dealer has (or will have) represented, warranted and agreed that it (i) will not offer Notes for subscription, (ii) will not solicit any offers for subscription for or sale of the Notes, and (iii) will itself not sell or offer the Notes in South Africa in contravention of the Companies Act, Banks Act, Exchange Control Regulations and/or any other Applicable Laws and regulations of South Africa in force from time to time.

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that it will not make an "offer to the public" (as such expression is defined in the Companies Act, and which expression includes any section of the public) of Notes (whether for subscription, purchase or sale) in South Africa. This Programme Memorandum does not, nor is it intended to, constitute a prospectus prepared and registered under the Companies Act.

Offers not deemed to be offers to the public

Offers for subscription for, or sale of, Notes are not deemed to be offers to the public if:

- (a) made only to certain investors contemplated in section 96(1)(a) of the Companies Act; or
- (b) the total contemplated acquisition cost of Notes, for any single addressee acting as principal, is equal to or greater than ZAR1,000,000 (one million Rand), or such higher amount as may be promulgated by notice in the Government Gazette of South Africa pursuant to section 96(2)(a) of the Companies Act.

Information made available in this Programme Memorandum should not be considered as "advice" as defined in the Financial Advisory and Intermediary Services Act, 2002.

United States

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the **Securities Act**) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act (**Regulation S**).

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) the Notes in that Tranche have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the Securities Act;
- (b) it has not offered, sold or delivered any Notes in that Tranche and will not offer, sell or deliver any Notes in that Tranche (i) as part of their distribution at any time or (ii) otherwise until 40 (forty) Days after completion of the distribution, as determined and certified by the Dealer(s) or, in the case of an issue of such Notes on a syndicated basis, the relevant Lead Manager, of all Notes of the Series of which that Tranche of Notes is a part, within the United States or to, or for the account or benefit of, U.S. Persons;

- (c) it will send to each dealer to which it sells any Notes in that Tranche during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of such Notes within the United States or to, or for the account or benefit of, U.S. Persons; and
- (d) it, its Affiliates and any Persons acting on its or any of its Affiliates behalf have not engaged and will not engage in any directed selling efforts in the United States (as defined in Regulation S under the Securities Act) with respect to the Notes in that Tranche and it, its Affiliates and any Persons acting on its or any of its Affiliates' behalf have complied and will comply with the offering restrictions requirements of Regulation S.

Until 40 (forty) Days after the commencement of the offering of a Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the Securities Act.

European Economic Area

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that, in relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each a **Relevant Member State**), with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of any of such Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of any of such Notes to the public in that Relevant Member State:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) at any time to fewer than 100 (one hundred) or, if the relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150 (one hundred and fifty) natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive,

provided that no such offer referred to in (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “*offer of Notes to the public*” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “*Prospectus Directive*” means Directive 2003/71/EC (and amendments thereto including the 2010 PD Amending Directive, to the extent implemented by the Relevant Member State) and includes any relevant implementing measure in each Relevant Member State and the expression “2010 PD Amending Directive” means Directive 2010/73/EU.

Each Dealer has (or will have) represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that any commission, fee or non-monetary benefit received from the Issuer complies with the applicable rules set out in the Markets in Financial Instrument Directive 2014/65/EU, as may be amended or replaced from time to time (**MiFID II**).

United Kingdom

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) in relation to any of the Notes in that Tranche which have a maturity of less than one year, (i) it is a Person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any of such Notes other than to Persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent)

for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of such Notes would otherwise constitute a contravention of section 19 of the Financial Services and Markets Act, 2000 (the **FSMA**) by the Issuer;

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any of the Notes in that Tranche under circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any of the Notes in that Tranche in, from or otherwise involving the United Kingdom.

General

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to agree that:

- (a) it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in each jurisdiction in which it purchases, subscribes or procures the subscription for, offers or sells Notes in that Tranche or has in its possession or distributes the Programme Memorandum and will obtain any consent, approval or permission required by it for the purchase, subscription, offer or sale by it of Notes in that Tranche under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, subscription, offers or sales; and
- (b) it will comply with such other or additional restrictions as the Issuer and such Dealer agree and as are set out in the Applicable Pricing Supplement.

Neither the Issuer nor any of the Dealer(s) represent that Notes may at any time lawfully be subscribed for or sold in compliance with any applicable registration or other requirements in any jurisdiction or pursuant to any exemption available thereunder nor assumes any responsibility for facilitating such subscription or sale.

TAXATION

Capitalised terms used in this section headed “Taxation” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The comments below are intended as a general guide to the relevant tax laws of South Africa as at the Programme Date. South African tax laws are subject to frequent change and accordingly the comments set out below may be subject to change, possibly with retrospective effect. The contents of this section headed “Taxation” do not constitute tax advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional tax advisers in this regard. The Issuer makes no representation and gives no warranty or undertaking, express or implied, and accepts no responsibility for the accuracy or completeness of the information contained in this section.

Securities Transfer Tax

The issue, transfer and redemption of the Notes will not attract securities transfer tax under the Securities Transfer Tax Act, 2007 (the **STT Act**, as amended from time to time) because the Notes do not constitute “securities” as defined in the STT Act (i.e. the Notes will not, themselves, constitute a share or depository receipt in a company). Any future transfer duties and/or taxes that may be introduced in respect of (or applicable to) the transfer of Notes will be for the account of holders of the Notes.

Value-Added Tax

No value-added tax (**VAT**) is payable on the issue or transfer of the Notes. The issue, sale or transfer of the Notes constitute “financial services” as defined in section 2 of the Value-Added Tax Act, 1991 (the **VAT Act**, as amended from time to time). In terms of section 2 of the VAT Act, the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of a debt security as well as the buying and selling of derivatives constitute a financial service, which is exempt from VAT in terms of section 12(a) of the VAT Act.

However, commissions, fees or similar charges raised for the facilitation of the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of Notes that constitute “debt securities” as defined in section 2(2)(iii) of the VAT Act will be subject to VAT at the standard rate (currently 15% (fifteen percent)), except where the recipient is a non-resident as contemplated below.

Services (including exempt financial services) rendered to non-residents who are not in South Africa when the services are rendered, are subject to VAT at the zero rate in terms of section 11(2)(l) of the VAT Act.

Income Tax

South African resident Noteholders

Under current South African tax laws a “*resident*” (as defined in section 1 of the Income Tax Act, 1962 (the **Income Tax Act**, as amended from time to time)) is subject to income tax on his/her worldwide income. Accordingly, all Noteholders who are “*residents*” of South Africa will generally be liable to pay income tax, subject to available deductions, allowances and exemptions, on any income (including income in the form of interest) earned in respect of the Notes.

The tax treatment of resident Noteholders will depend on whether amounts derived in respect of the Notes constitute, for example, “*interest*” (see below), an amount of a revenue nature or an amount of a capital nature. The Notes can constitute a wide variety of instruments subject to different terms. In addition to the terms of the instrument, the circumstances of the Noteholder could impact the tax treatment of amounts derived in respect of the Notes. The Noteholder could be exempt from tax, may hold the Notes as long-term investments on capital account, or may be trading in the Notes on revenue account. Noteholders are advised to consult their own professional advisers as to the nature of any amount earned pursuant to the Notes, and the tax treatment of the amount.

“*Interest*” includes the gross amount of interest or any similar finance charge, as well as any discount or premium to the principal amount of a Note. Interest accrues (or is deemed to accrue) to a Noteholder and must be included in gross income, in accordance with section 24J of the Income Tax Act on a day

to-day basis until that Noteholder disposes of the Note or until maturity. This day-to-day accrual is determined by calculating the yield to maturity (as defined in section 24J of the Income Tax Act) and applying this rate to the outstanding amount for the relevant tax period. If on disposal or on maturity the Noteholder has included in gross income interest that the Noteholder did not actually receive, section 24J of the Income Tax Act allows the deduction of an adjusted loss.

The tax treatment of Subordinated Notes where the Issuer has no obligation to make interest and/or capital payments, the proceeds of which qualify as primary share capital may differ from the section 24J of the Income Tax Act treatment noted above.

To the extent the disposal of the Note gives rise to a gain or a loss, the normal principles are to be applied in determining whether such gain or loss should be subject to income tax in terms of the Income Tax Act. If a Note is disposed of on a speculative basis or as part of a scheme of profit making, the gain should generally be revenue in nature and subject to normal tax. If a Note is held with a capital intention any gain on disposal will likely be subject to the lower capital gains tax (explained in more detail below).

Section 24JB of the Income Tax Act deals with the taxation of financial instruments for certain types of taxpayers ("*covered persons*", as defined in section 24JB of the Income Tax Act). If section 24JB of the Income Tax Act applies to the Noteholders and the Notes, the tax treatment of the acquisition, holding and/or disposal of the Notes will differ from what is set out above. Noteholders should seek advice from their own professional advisors as to whether these provisions may apply to them.

Non-resident Noteholders

Non-residents of South Africa are subject to income tax on all amounts derived from a South African source (subject to domestic exemptions or relief in terms of an applicable double taxation treaty). Depending on the nature of the amount, different domestic rules regarding the determination of source will be applicable. Regarding the treatment of amounts earned by non-residents of South Africa that are capital in nature, see "*Capital Gains Tax*" below.

Interest as defined in section 24J of the Income Tax Act (see above) is derived from a South African source if that amount:

- (a) is attributable to an amount incurred by a Person that is a South African tax resident, unless the interest is attributable to a foreign permanent establishment of that resident; or
- (b) is received or accrues in respect of the utilisation or application in South Africa by any Person of any funds or credit obtained in terms of any form of "*interest-bearing arrangement*".

The Notes could constitute an "*interest-bearing arrangement*". The Issuer is tax resident in South Africa as at the Programme Date. Accordingly, unless the Notes are attributable to a permanent establishment of the Issuer outside of South Africa, any interest paid to the Noteholders will be from a South African source and subject to South African income tax, unless such interest income is exempt from South African income tax under section 10(1)(h) of the Income Tax Act (see below).

Under section 10(1)(h) of the Income Tax Act, any amount of interest received by or that accrues to a Noteholder who, or which, is not a resident of South Africa during any year of assessment is exempt from income tax, unless:

- (a) that Person is a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate during the twelve month period preceding the date on which the interest is received by, or accrues to, that Person; or
- (b) the debt from which the interest arises is effectively connected to a permanent establishment of that Person in South Africa.

If a Noteholder does not qualify for the exemption under section 10(1)(h) of the Income Tax Act, an exemption from, or reduction of, any South African income tax liability may be available under an applicable double taxation treaty.

In respect of non-resident Noteholders, a liability for South African income tax may arise should the Notes so disposed of be attributable to a South African permanent establishment of such Noteholder, and provided that the proceeds from such a disposal are regarded as being derived from a South African source (subject to domestic exemptions or relief in terms of an applicable double taxation treaty).

Non-resident purchasers are advised to consult their own professional advisers as to the above South African tax implications.

Capital Gains Tax

South African resident Noteholders

A resident Noteholder that disposes of Notes other than on a speculative basis or as part of a scheme of profit-making would need to determine a capital gain or loss, which would be subject to a lower effective tax rate than income tax.

Non-resident Noteholders

Capital gains tax under the Eighth Schedule to the Income Tax Act will not be levied in relation to Notes disposed of by a Person who is not a resident of South Africa, unless the Notes disposed of are effectively connected with a permanent establishment of that Person.

Purchasers are advised to consult their own professional advisers as to whether a disposal or redemption of Notes will result in a liability to capital gains tax.

Withholding Tax

A final withholding tax on interest which is levied at the rate of 15% applies to interest payments made from a South African source to foreign Persons (i.e. non-residents). The withholding tax on interest becomes payable at the earlier time when that interest is paid or that interest becomes due and payable. The withholding tax on interest is subject to certain exemptions (see below). South Africa is also a party to double taxation treaties that may provide full or partial relief from the withholding tax on interest, provided that administrative procedures are followed.

The available exemptions apply in respect of the instrument giving rise to the interest, to the foreign Person receiving the interest, or to the Person liable for the interest (i.e. the Issuer).

Regarding the exemptions applicable in respect of the instrument, an amount of interest is exempt if it is paid to a foreign Person in terms of "listed debt", being listed debt on a "recognised exchange", as defined in terms of paragraph 1 of the Eighth Schedule to the Income Tax Act. The Notes may be listed on a recognised Financial Exchange. Thus, to the extent that the Notes remain listed on that exchange (and to the extent that that Financial Exchange remains a recognised Financial Exchange), any interest paid to a foreign Person in respect of the Notes will be exempt from the withholding tax on interest. If the Notes are not listed on a recognised Financial Exchange, then the interest paid to a foreign Person will not be exempt from the withholding tax on interest unless another exemption is applicable.

Regarding the exemptions applicable in respect of the foreign Person receiving the interest, an amount of interest is exempt if–

- (a) that foreign Person is a natural person who was physically present in South Africa for a period exceeding 183 (one hundred and eighty three) days in aggregate during the twelve month period preceding the date on which the interest is paid; or
- (b) the debt claim in respect of which that interest is paid is effectively connected with a permanent establishment of that foreign Person in South Africa, if that foreign Person is registered as a taxpayer in terms of Chapter 3 of the Tax Administration Act, 2011; and
- (c) the foreign Person submits a declaration in a prescribed form confirming their exemption to the Person liable for the payment of the interest before payment of the interest is made.

A foreign Person could also qualify for the exemption if the foreign Person is an institution listed in section 50D of the Income Tax Act.

Regarding the exemptions applicable in respect of the Person liable for the interest, none of these will be applicable in respect of the Issuer. Thus, if the exemptions in respect of listed debt and foreign Persons above are not applicable, then any interest paid to a foreign Person is unlikely to be exempt from the withholding tax.

Section 8F of the Income Tax Act applies to "*hybrid debt instruments*", and section 8FA of the Income Tax Act applies to "*hybrid interest*", which are terms defined in the Income Tax Act, with reference to "debt" instruments that have certain equity-like features. Section 8F and 8FA provide that interest on a hybrid debt instrument and/or hybrid interest are, for purposes of the Income Tax Act, deemed to be a dividend *in specie*. If either of these provisions apply the tax treatment of the interest may differ from what is set out above, and such payments may be subject to dividend withholding tax as a result of the deemed classification as dividends *in specie*. The provisions of section 8F and 8FA are subject to certain exemptions.

Prospective subscribers for or purchasers of Notes are advised to consult their own professional advisers to ascertain whether the abovementioned provisions may apply to them.

Guarantee

The abovementioned withholding tax is limited to the payment of interest, defined to include interest and similar finance charges. In the event that a Guarantor makes a payment in respect of its Guarantee, it is not required under current South African tax law to withhold or deduct any taxes from any payment made by it in terms of the Guarantee. However, to the extent that a Guarantor is required to pay default interest on any Guarantee payments, such interest payments may be subject to a final withholding tax on interest levied at a rate of 15% (which rate may be reduced if a double tax agreement applies and certain formalities are complied with).

Definition of Interest

The references to "*interest*" above mean "*interest*" as understood in South African tax law. The statements above do not take account of any different definitions of "*interest*" or "*principal*" which may prevail under any other law or which may be created by the Terms and Conditions or any related documentation.

SOUTH AFRICAN EXCHANGE CONTROL

Capitalised terms used in this section headed “South African Exchange Control” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The information below is intended as a general guide to the position under the Exchange Control Regulations as at the Programme Date. The Exchange Control Regulations are subject to change at any time without notice. The contents of this section headed “South African Exchange Control” do not constitute exchange control advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.

Non-South African resident Noteholders and emigrants from the Common Monetary Area

Dealings in the Notes and the performance by the Issuer of its obligations under the Notes and the Terms and Conditions may be subject to the Exchange Control Regulations.

Emigrant Capital Account

Emigrant Capital in an Emigrant’s Capital account may be used for the subscription for or purchase of Notes. Any amounts payable by the Issuer in respect of the Notes subscribed for or purchased with Emigrant Capital from an Emigrant’s Capital account may not, in terms of the Exchange Control Regulations, be remitted out of South Africa or paid into any non-South African bank account.

Emigrants from the Common Monetary Area

Any Individual Certificates issued to Noteholders who are emigrants from the Common Monetary Area will be endorsed “*non-resident*”. Such restrictively endorsed Individual Certificates shall be deposited with an authorised foreign exchange Dealer(s) controlling such emigrant’s remaining assets.

In the event that a Beneficial Interest in Notes is held by an emigrant from the Common Monetary Area through the CSD, the securities account maintained for such emigrant by the relevant Participant will be designated as an Emigrant Capital account.

Any payments of principal due to a Noteholder who is an emigrant from the Common Monetary Area will be deposited into such emigrant Noteholder’s Emigrant Capital account, as maintained by an authorised foreign exchange dealer. Interest payments are freely transferable and may be credited to the emigrant’s non-resident Rand account. Capital amounts are not freely transferable from the Common Monetary Area and may only be dealt with in terms of the Exchange Control Regulations.

Non-residents of the Common Monetary Area

Any Individual Certificates issued to Noteholders who are not resident in the Common Monetary Area will be endorsed “*non-resident*”. In the event that a Beneficial Interest in Notes is held by a non-resident of the Common Monetary Area through the CSD, the securities account maintained for such Noteholder by the relevant Participant will be designated as a “*non-resident*” account.

It will be incumbent on any such non-resident Noteholder to instruct the non-resident’s nominated or authorised Dealer(s) in foreign exchange as to how any funds due to such non-resident in respect of Notes are to be dealt with. Such funds may, in terms of the Exchange Control Regulations, be remitted abroad only if the relevant Notes are acquired with foreign currency introduced into South Africa or Rand from a non-resident Rand account held with an authorised foreign exchange dealer and provided that the relevant Individual Certificate has been endorsed “*non-resident*” or the relevant securities account has been designated as a “*non-resident*” account, as the case may be.

The Issuer is domiciled and incorporated in South Africa and as such is not required to obtain exchange control approval for the issuance of Notes within South Africa.

For purposes of this section, **Common Monetary Area** means South Africa, Lesotho, Namibia, and Eswatini (formerly Swaziland).
